Extend OSHC at St Luke’s Primary School

*Our recap for the last fortnight*

We have been getting back into playing games and having fun. As the weather has been warm there has been lots of outdoor play. Some of the boys have been playing cricket, while others have been playing tennis and the sand pit has been a big hit. The children have done a variety of art & craft.

A reminder to all parents if you are a casual could you please book your child in advance by calling Head office. If your child is not attending and they are booked in can you please call the program on 0405270332. This helps us to cater better for your children’s needs.

*Activities for the next month starting 29/2/16 to 7/3/16*

**Week 6**
Pipe cleaner art, kenix, cooking, make your own milkshake

**Week 7**
Paper flowers, finger painting, make a banner, box art
