

ST LUKE'S PARENTS' AND FRIENDS' ASSOCIATION

NEWSLETTER – JULY 2015

We are already in full swing for term 3 with chocolates being sold and enjoyed by all. I'm sure you've enjoyed a couple with a nice coffee during these cold winter nights. I know I have! Thank you to all those families who have sold a box or two and returned the money. Please ensure you sell the chocolates and return the money by this Friday, 31st July. Your continued support is appreciated.

Our hot dog treat day is on this Friday. Always a winner with the kids and they are excited to come to the tuckshop to collect their lunch. Their smiles are worth all the effort!

The Gold Coast Raffle tickets will be distributed next week. How exciting to think that one family/friend from our school will be winning a trip to Queensland! These tickets can be sold to family and friends and all the details of when the draw will take place, is printed on the individual ticket. The return date is also printed, so please ensure that all ticket butts and money are strictly returned by this date to be entered into the draw.

Our Fathers' Day stall is on as always in September and some stall items will be displayed in the foyer. A flyer will follow very soon.

SAVE THE DATE – a Ladies' Day Luncheon is being organised for Oaks Day on Thursday, 5th November. Further details will follow, however, note the date down and let your friends know. It is open to all ladies, so mums, aunts, friends and grandmothers! And have your hat or fascinator ready to go too!

Together we seek God.

Thanks

Giovanna Falvo-Messina & Julie Pronesti
